Some of the finest boundary waters fishing can be had without hardly wetting a paddle. Utilize our head start launch service on Saganaga Lake to the Red Rock Lake portage and set up your camp in one of the campsites just a mile or two away. Fish for smallmouth, walleye and northern and enjoy the peaceful, uninterrupted bonding time with your son. Teach your son the valuable aspects of survival in the outdoors or learn for the first time together. Or maybe your daughter is the one excited about fishing, it makes no difference. Come make some memories with one of your children that will last a lifetime and maybe be the start of a long lasting tradition.
