Kayak the Boundary Waters

Trip Details

Skill Level: Beginner

Departs: May through September

Length: Variable*

Cost: \$40 per day for kayak

Not Guided

Has the canoeing become a bit lackluster? Well grab your paddling partner and give a sea kayak a try. Set out from our dock on the end of the Gunflint Trail on

Seagull Lake in Minnesota's boundary waters. Set up a base camp on one of the many beautiful island campsites and day trip from there. Bring your fishing pole, camera, rock climbing equipment or whatever your hobby may be and expand your boundaries in a sea kayak. Pick your own pace and stay your own path; you're the captain of this ship.

*The kayak can be used for a day trip or on an overnight; it's up to you! Take a look at our [Partial Outfitting](#) page for information on available camping gear.
