Grab some of your closest girlfriends and escape to the Northwoods for some well deserved rest and relaxation. Spend a few days bonding with your sister, daughter, girlfriend or anyone that you haven't spent time with recently. Up here in the natural beauty of the boundary waters you won't have the normal distractions of daily life; just you and the outdoors with only your best friends to share it with. Go swimming, sun-tanning, fishing or just relaxing. However you choose to spend the time, we're sure it will be refreshing. Leave your worries at home because they'll be there when you return. And for this week, let your hair down and put on your wilderness shoes; it's girls' night out.
